

ADVENTIST UNIVERSITY OF CENTRAL AFRICA

Course: Database Development with PL/SQL (INSY 8311)

Instructor: Eric Maniraguha | ericmaniraguha2024@gmail.com | [LinkedIn Profile](#)

Assignment Date: February 06, 2025

Groups: A, B, E, F

Assignment I: Create a Personal Introduction Slide

Objective:

Design a **one-slide presentation** to introduce yourself to the class. Your slide should effectively highlight key aspects of your background, interests, and expectations for the course.

Instructions:

1. Slide Title:

✳️ "Personal Introduction: [Your Name] | LinkedIn Profile | GitHub Profile"

2. Content Requirements:

Your slide must include the following:

- ✓ **Full Name** – Clearly state your full name.
- ✓ **Concentration** – Mention your field of study or specialization.
- ✓ **Year of Study** – Indicate your current year (e.g., 1st Year, 2nd Year).
- ✓ **Origin** – Specify your city or country of origin.
- ✓ **Use of Digital Information** – Briefly describe how you use digital tools and information in your studies or daily life.
- ✓ **Course Expectations** – Share what you hope to achieve or learn from this course.
- ✓ **Something Unique About You** – Include an interesting fact about yourself that others may not know.
- ✓ **Personal Photo** – Add a clear image of yourself.
- ✓ **LinkedIn & GitHub Profiles** – Include clickable links to both your LinkedIn and GitHub profiles.

💡 *Students are encouraged to create and maintain professional LinkedIn and GitHub profiles.*

3. Design Guidelines:

- Use **clear and readable fonts** for better visibility.

- Incorporate **visuals or icons** to enhance the slide's appearance.
- Ensure a **well-organized layout** that is easy to follow.
- You are required to submit **only one slide**.

4. Submission Details:

- ✦ **Format:** Save your slide as a **single-slide PDF**.
- ✦ **Deadline:** **February 13, 2025, at 11:59 PM**.
- ✦ **Submission:** Upload your PDF via the designated Google Form.
 - Click on your group to submit: [Group A](#), [Group B](#), [Group E](#), [Group F](#).

● **Late Submission Policy:**

- **Timely submission is crucial** for managing academic responsibilities.
- **Assignments submitted within two weeks from the deadline** will be graded at **50% of the original score**.
- **Submissions later than two weeks will not be accepted** and will receive **zero**, unless **prior approval** is granted for valid reasons.

5. Evaluation Criteria (5 Points Total):

- ✓ **Clarity & Completeness (2 pts)** – All required information is included and well presented.
- ✓ **Creativity & Visual Appeal (2 pts)** – The slide is engaging and well-designed.
- ✓ **Adherence to Requirements (1 pts)** – The slide includes an image, LinkedIn, and GitHub links.

Additional Note:

- ✦ **Networking Opportunity:** At the end of this assignment, all students will be required to follow one another on LinkedIn and GitHub, fostering strong professional and technical connections.

Wishing you all the best in this course! 🚀
